

First Steps in Engraving

Printmaking lessons at the

Educational Centre for Children

at The Nicosia Municipal Arts Centre

Artistic creation afternoons at the Printmaking Workshop
for children aged 7 – 12 years.

The Engraving lessons start on Tuesday 18th February 2014.

PROJECT A'

Project A consists of 15 weekly lessons and addresses children who did not have any experience of engraving before. The experienced engraver Efklides Papadopoulos will offer to children the opportunity to learn and practice all the stages in printmaking by using the special printing press for children.

Workshops duration, February – May 2014

€50 enrollment (includes all lessons and materials)

Every Tuesday, 15:00 – 16:30

PROJECT B'

Project B consists of 15 weekly lessons and addresses children who have attended Project A. The children will engrave on Linoleum, on wood, on acrylic, they will print their works and they will be introduced to the technique of collagraph. They will also visit exhibitions and they will be introduced to Cypriot artists' engraving work.

Workshops duration, February – May 2014

€70 enrollment (includes all lessons and materials)

Every Thursday, 15:00 – 16:30

Maximum number of each group is 12 children
